Wenger dismissed suggestions his team was in decline, insisting: "All Premier League teams have the same quality as everyone else. My job is to develop the players within the squad and I always try to keep my players fit and give them regular football." "My job is to prepare my players and work with them. I must improve players. You do not know how you can improve someone over six months, even a year. I believe I can improve the players.

It is great if you can get a player that you can not improve." "One of the things he did (Wenger) and Arsene Wenger in general are really good at is to make the players better players in the last half of the season. That is really hard and I think that is what he will do. After the end of the season you have more time to work with the players. In the end it is up to the players how they will develop and how they will want to develop." FIFA is a simulation football video game that allows players to create and control a real-life footballer in the form of a player on a virtual pitch. It includes 4,087 real-life players, in which 1,370 athletes are from Europe, 704 from North America, and 1,003 from the rest of the world. The game has sold over 25 million copies since its release in 1999. The term FIFA was chosen because of its large impact on football as a sport and as a global phenomenon. FIFA Championship Edition is a sports video game that was released in 2001 and has sold over 7.5 million copies. The game was followed by four sequels, FIFA 07, FIFA 08, FIFA 09, and FIFA 10. FIFA 11 was released on November 1, 2010, in North America and on November 4, 2010, in Europe. It was developed by EA Canada, and published by Electronic Arts. FIFA 12 was released worldwide on September 23, 2011, for Microsoft Windows, PlayStation 3 and Xbox 360. It is the first FIFA game to be released on the PlayStation 3. It received positive reviews and received many awards, including the 2012 Spike TV Video Game Awards for Best Sports Game and Best Sports Game Franchise. The game was later released for iOS, iPad and iPhone and for OS X. The game was awarded Game of the Year and Innovation in Playable Game by the Academy of Interactive Arts & Sciences. FIFA 14, released on September 20, 2013, is the 12th main

What's new:

- **FIFA 22 introduces “HyperMotion Technology,” which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.**
- **FIFA 22 is a breakthrough year for FIFA Ultimate Team (FUT) with greater player diversity, new challenges, larger rewards and the introduction of fully-loaded NFL teams. There are a variety of new cards available in FUT packs that enable players to experience diverse gameplay scenarios and to earn a massive number of coins.**
- **FIFA 22 will also introduce gameplay dynamics exclusive to the 'My FIFA' app, enabling players to choose from the most authentic experience in their game at any time by using a combination of licensed player cards and network play.**
- **Best-in-class graphics and visual features for both PS4 and Xbox One consoles.**
