SOURCE: Panasonic Strada CN-DV155, currently in Japanese. no I can't, I have the same thing and I've been down that path. this requires New Zealand navigation DVDs. ŏŸ~Ź I don't know if this will work, but this was the only one that worked. Download this manual from the Panasonic website first. [http://www.panasonic.co.jp/pan/about/information/information\\_dvd/information\\_dvd/index.html](http://www.panasonic.co.jp/pan/about/information/information_dvd/information_dvd/index.html) Click on the "Me" menu and select: "Navigation Disc Management, select "Navigation Disc Management" You will see that you have two navigation discs. You can click this one to select the drive you want to use. Click on the disk.

service manual for your specific model in  
English and translate it to Japanese, this  
requires some internet connectivity and  
no professional skills. A: The manual for  
the specific model of navigation can be  
found on the Panasonic website. Some
